## CPF LS4 under new management...

Late in 2018, we received resignations from Roland Henwood, who served the community first as Vice Chairperson together with Chairperson JC Van Niekerk, thereafter as Chairperson of CPF Lyttelton Sector 4 for nearly 4 years. Roland also served on the parent level Lyttelton CPF for many years as Secretary. His field of knowledge being Political sciences combined with his longstanding service in the structures of CPF, has been very beneficial to our community. Jan Wessels came from a military background and served as Vice Chairperson for the past 3 years, building the organization and intelligence. We thank them sincerely.

On 26 February our new Chairman, Jonathan Ross and Vice chairman Danie Neumann was elected into office. Jonathan and Danie will make a great management team for the CPSF and can be assured of the community's support.

The CPSF needs a volunteer from the community to be nominated as Secretary. Please contact us via email at [admin@lyttelton4.co.za](mailto:admin@lyttelton4.co.za), to offer your voluntary service or nominate a resident of Wingate Park, Elardus Park, Rietvalleirand or Rietvalleipark.

Get involved for your own safety as well as your neighbours'.

This is your organization, help to build it!
